1. Security

Security & Order – Protection against threats by persons

EUROCS security forces in action – stewards, property protection and access control

Security as the Foundation of Your Operational Success

EUROCS offers a broad range of security services that go far beyond classic guarding. Whether property protection for commercial premises, access control for corporate sites or steward services for public events – our qualified staff ensure smooth and safe operations. Every solution is tailored to your requirements and supported by experienced deployment managers.

Core Services at a Glance

- ✓ Property Protection
- ✓ Gate Services
- ✓ Event Security
- ✓ Access Control
- ✓ Construction Security
- ✓ Steward Services
- ✓ Patrol Services
- ✓ Personal Protection
- ✓ Plant Security

2. Safety

Accident Prevention and Prevention – Protection against events and accidents

EUROCS safety staff during construction site inspection – fire protection, occupational safety, prevention service

Prevention Saves Lives

Safety refers to protection against hazards caused by events and accidents – independent of human influence. EUROCS supports companies with accident prevention, preventive fire protection and safeguarding of employees in exposed situations.

Whether fire watch during hot work, medical service at events or rail construction site safety for infrastructure projects – EUROCS plans each deployment to integrate seamlessly into your operations and meet all legal requirements.

Safety Services

- ✓ Fire Watch
- ✓ Operational Fire Protection
- ✓ Plant Fire Brigade
- ✓ Medical Service
- ✓ Occupational Safety
- ✓ Lone Worker Protection
- ✓ Rail Construction Site Safety
- ✓ Traffic Safety
- ✓ Safety Guards

Typical Deployment Scenarios

Hot Work

Fire watch during welding and cutting operations on construction sites and in production facilities.

Large Events

Medical service, first-aid stations and steward services at public events.

Rail & Infrastructure

Safety guards for rail construction, road works and infrastructure projects.

Qualification Note:

Deployed safety staff are qualified for the relevant deployment area, regularly instructed and document relevant procedures on request. EUROCS coordinates deployments nationwide and at short notice.

3. Service

Reception, Organisation and Logistics – professional additional services

"Welcome"

Your reception area is the calling card of your company.
We ensure the right first impression every day.

EUROCS reception service – professional service staff for reception, porter and front desk

Professional Reception and First-Class Services

Our service portfolio complements classic security services with premium additional offerings. Whether professional reception, trade fair support or chauffeur service – EUROCS takes on service-oriented tasks with the same commitment to quality and professionalism. Our staff are friendly, reliable and situationally aware.

Why EUROCS?

Our strengths and quality features at a glance

Our Strengths

1

Rapid Needs Assessment

Enquiries are structured, received and assessed for the deployment site.

2

Tailored Concepts

No standard solution: planning based on site, timeframe, risk and scope.

3

Qualified Personnel

EUROCS ensures the required credentials and §34a qualification for each deployment area.

4

Transparent Pricing

The proposal is prepared transparently based on requirements and scope.

5

Nationwide & Europe-Wide Deployment

Deployments throughout Germany and Europe are coordinated from our headquarters in Frankfurt am Main.

Nationwide Deployment – Local Expertise

EUROCS combines coordination from Frankfurt am Main with flexible deployment planning for sites, events and properties throughout Germany and Europe.

Trust Through Quality

- ✓ §34a GewO – Security Industry Qualification
- ✓ Operations & Security Liability Insurance (Allianz)
- ✓ Coverage: €5M per insurance claim
- ✓ Coverage: €15M per insurance year
- ✓ Individual security concepts on request
- ✓ Short-notice deployment within 48 hours
- ✓ Nationwide & Europe-wide – HQ Frankfurt am Main
